

ARE YOU RUNNING FOR REGIONAL COUNCIL?

DID YOU KNOW?

A candidate elected for the Office of Mayor or Regional Councillor in a local municipality earns a seat on both local and regional councils for four years.

REGIONAL GOVERNMENT

The authority of regional government in Ontario is established by the *Municipal Act, 2001*.

York Region is one of six regional governments in Ontario. A regional government is an upper-tier municipality that is a federation of the local, lower tier municipalities within its boundaries. York Region is comprised of these nine cities and towns:

Town of Aurora	Town of Newmarket
Town of East Gwillimbury	City of Richmond Hill
Town of Georgina	City of Vaughan
Township of King	Town of Whitchurch-Stouffville
City of Markham	

Regional and local governments provide different services to residents based on jurisdiction granted by the *Municipal Act*. Regional municipalities provide services that are best delivered across wide areas, or those requiring large-scale coordination. The table below illustrates the types of services provided by York Region and its nine cities and towns.
